### YOUNG WOMEN'S ALLIANCE FOUNDATION

#### **ABOUT THE ORGANIZATION:**

Founded in 1993, the Young Women's Alliance (YWA) is an organization of women that empowers its members to develop personally and professionally through educational programs and opportunities to lead, network, and serve.

The Young Women's Alliance Foundation (YWAF) is a 501(c)(3) non-profit organization created by YWA in 1997. The Foundation empowers tomorrow's female leaders by awarding educational scholarships to girls and women and providing grants to the organizations that serve them, ultimately inspiring all women to give back to their community.

#### **PURPOSE OF THE SCHOLARSHIP:**

Each year, the Foundation awards Higher Education Scholarships to women who show commitment to education, leadership and community service in their personal time. The purpose of this scholarship is to provide tuition assistance to these women while they serve their community. Community service can mean an event, campaign, dedication of service, or other initiative taken by the recipient. We aim to have our scholarship recipients make a significant impact on the community. This year's award amount is \$2,000 per recipient. YWAF looks to support women who demonstrate exceptional leadership, academic achievement, and strong commitment to their community.

#### **SELECTION CRITERIA:**

Scholarship recipients are chosen based on four criteria:

- Commitment to community service (20%)
- Demonstrated leadership (30%)
- Academic achievement (30%)
- Financial need (20%)

Scholarships must be used for tuition assistance and will be paid directly to the recipient's university in either the fall of 2018 or spring of 2019. Recipients will select the semester in which the scholarship money will be used.
